

SUPERVISOR SUPPORT FORM FOR EMERGING RESEARCHER FUND APPLICANTS

*Emerging Researcher Fund applicants are required to submit with their application a detailed research proposal formulated with the full involvement of their supervisor. We request that the supervisor completes this Support Form, and gives it in pdf format to the applicant to upload with the application (**deadline 31 July 2018**).*

*SACEMA will hold an annual Research Days meeting, at which students will gain experience in presenting their work and receive constructive feedback. The meeting also aims to offer guidance in professional development, showcase the wider scope of SACEMA’s work, and identify potential research synergies within our network of associates and supervisors. Holders of ERF funding are required to attend, and **supervisors are strongly encouraged to attend.***

Student Name:	
Supervisor Name:	
Supervisor affiliation, academic rank and full contact details:	

Number of current students of which I am supervisor:

Honours		Structured Masters		Research Masters		PhD		Postdoc	
---------	--	--------------------	--	------------------	--	-----	--	---------	--
